## Calling All Baby Boomers!

We are in the process of establishing a group of folks who would like to get together during the day once a month. The primary purpose would be fellowship (lunch, day trips, etc), but there may also be a service component some months. The idea was enthusiastically received among a group that met in February, and we plan to get together again for lunch on Thursday, March 4.

## Let The Bells Ring!

If you were in attendance at our worship service on Sunday, Feb. 7, you may have noticed that we now have more of our handbells ringing than we did at Christmas, and this is simply because we have more people to ring them! While we rejoice in this growth in number of ringers, we still have a few bells that are not being rung. With only three months left of the current ringing season before the Handbell Choir breaks for the summer, how great would it be to have ALL of the bells ringing! We could do this with as few as two additional ringers! Is this something you would like to try for this three-month period? No prior handbell-ringing experience is necessary, but some basic music reading ability is helpful. Please contact [Rose](#) for further information, or just come to Handbell Choir rehearsal at 5:30 p.m. on Sunday in the Choir Room.

## 30-Hour Famine

Central's youth will join other students from around the world on February 26<sup>th</sup> and 27<sup>th</sup> who are attempting to be faithful to the call of God by fighting hunger with an empty stomach. During the 30-hour Famine, participants will drink juice and water but will not eat.

This year, our youth have set as their goal \$1,800 to donate to World Vision to help with hunger around the globe. You can help by donating to the cause and/or by supporting them with your prayers.

For more information, contact [Ken Bailey](#), Minister to Students.
