Intro to Line Dancing

On Mondays from 6-7 p.m. for four weeks, we will hold an introductory line dance class where no partners are needed. The dates will be Sept 24-Oct 15 and will cost \$25 for the session.

How well do you know your right foot from your left foot? We'll explore that knowledge at the Beginner Line dance class coming this fall. Join us as we learn basic steps and styles of contemporary line dance. No experience or partners necessary. Many styles of line dancing and music are used. Sneakers or dance shoes are encouraged, please no sandals or open-back shoes. For the benefit of your fellow classmates, wear comfortable layered clothing that covers your belly when you raise your arms! See you on the dance (Gym) floor! For more information, please contact the teacher, Shirley Bryan, at bleaulines@gmail.com or 859.489.6530.
