

Help Families at Lafayette High School

LAFAYETTE NEEDS HELP WITH FOOD ASSISTANCE TO FAMILIES

There is a real need right now in our community. The Youth Services Center at Lafayette High School has been providing food to families of students in need. Students who haven't been part of the backpack program find themselves in need because of the pandemic. Please look for these items on your next grocery trip. You are able to choose the number of each item you want to/are able to find and purchase.

Drop off items to Dara Felts at 467 Retrac Rd. She'll have a container on her front porch for you to place the items. Her phone number is 859-338-2126 if you have any questions.

You can choose items and sign up at [SignUpGenius](#). If you have trouble with SignUpGenius, you can still simply choose from items below and drop off at Dara's.
