## Central Travels Zoom Group

One of the things we miss about our "normal" lives is travel. As we dream and think about traveling again, Central Baptist Church will offer a new Zoom series – Central Travels. Join host Gwen Hart as we trek to 4 continents with Central members who have traveled to those locations. You will see photos from the trips, share some travel planning tips in areas such as transportation, accommodations, safety, currency and exchange rates, budgeting and health considerations. We will have time for Q&A and discussion. For more information and a Zoom link contact Aaron ([aaron@lexcentral.com](mailto:aaron@lexcentral.com)).

This time, we'll hear from Evonne Brashear Devlin on her travels to Indochina.

## **Evonne Brashear Devlin**

Evonne was born in Winchester and grew up on a farm at Goff's Corner in eastern Clark County. She graduated from UK with a degree in Medical Technology and worked for the University's Veterinary Diagnostic Laboratory for 36 years and retired in 2010. She is married to Kevin Devlin and they have three cats and one dog.

"In 2015 I joined a tour of Cambodia, Laos, and Viet Nam offered by a small British company called Inside Asia Tours, a branch of Inside Japan Tours with which I had traveled to Japan several years before. They are my favorite tour company of all I have ever used! They were just starting to branch out into other countries including Cambodia, Laos, Viet Nam, Thailand, and Myanmar so there were 3 of us plus the tour guide."

## **Gwen Hart - Central Travels Host and Cruise Director**

Gwen has made a career of helping others have fun in her 38.5 years of working events in some capacity for Marriott. She retired last March, just in time before the proverbial you know what hit the fan for the hospitality industry and she says "Oh, the stories I could tell, but I digress.

Retirement suits me! I have stayed really busy! Working always did get in the way of my social life. I love spending time with family and friends. As for travelling, I absolutely love the beach and even in COVID, I did get there on occasion...carefully and safely."

"With all of my experiences over the years, I have collected great material for comedy relief and use as I see fit. Like I always say: If you can't be smart, be funny!"

And she is!
