## CBC Garden Work Day

COME AND HELP WITH SOME WORK  
AROUND THE CHURCH

The Facilities Committee invites you to come and help with some projects around the church. On June 6 from 9 a.m. -12 p.m. we will be spending the day working on our peace garden in preparation for the summer and other outside projects. If there are other small projects that you notice need our attention, please contact Charles at [charles@lexcentral.com](mailto:charles@lexcentral.com) and plans will be made to include those as well. Bring your gardening tools and lend a hand.
