

Lenten Contemplative Service

During Lent, you're invited to join us for a mid-week contemplative service. With simple songs, readings, centering prayer, and silent reflection, we'll take time to connect with the divine light in us, among us, and beyond us. Our service will begin at 6 p.m. and will naturally flow into a simple meal of soup and bread at around 6:30 p.m. We hope this quiet service will be a time of healing and renewal during this season.
